EDUCATION

George Mason University

Ph.D. Criminology, Law & Society

Fairfax, EE.UU.

August 2017-Ongoing

Pennsylvania State University

M.A. Criminal Justice

Harrisburg, EE.UU.

August 2015-May 2017

- Master's Thesis: Racialization of Crime, A Test of Citizenship Status on Criminal Perceptions

Universidad de los Andes

B. A. Psychology

Bogotá, Colombia

January 2011-May 2014

- Undergraduate thesis option: Personality Disorders in Female Inmates

EMPLOYMENT

Pan American Development Foundation – Peace, Justice, and Security

Senior Crime Prevention Specialist

February 2020 - Ongoing

- Lead and guide the regional team during the implementation of crime prevention programs.
- Design prevention programs for different crimes such as domestic violence, substance use, sexual crimes, extortion, forced recruitment, culture of illegality, and prevention through environmental design.
- Definition, design, and work plan around key indicators during implementation.
- Analysis of results and impact of all programs.
- Articulate collaborations between justice system actors and vulnerable communities.
- Strengthen the local offer available in rural municipalities for vulnerable populations, such as women and youth at risk.
- Articulate the training of justice system actors that strengthen the tools and effectiveness of these actors in their safety work.

George Mason University – Center for Advancing Correctional Excellence (ACE!)

Graduate Researcher

August 2017- January 2020

- Develop evidence-based guidelines on the best ways to monitor community-based individuals who have committed violent crimes, domestic violence, gangs, substance abuse, and have mental health disorders.
- Project manager evaluating a *deflection* program from the justice system to the health system for people with substance abuse and a criminal record.
- Supervise the protocols and guidelines that monitor clients with substance abuse and criminal records.
- Lead, supervise, and implement a scientific experiment (randomized controlled trial) to the *deflection* program.
- Articulate the request, collection, and consolidation of quantitative and qualitative data.
- Analysis of results and measurement of the impact of the program and the experiment.

Pennsylvania State University – School of Public Affairs- Criminal Justice

Research Assistant

August 2015-July 2017

- Research on the inmate code and mental health within correctional setting.
- Research on neighborhood influence on deviant behavior.
- Research on juveniles offenders: Gender differences, transfer to the adult system and chronic offenders.
- Developed databases on policing research.
- Assist in supervising or shadowing undergraduate classes.

Hospital Simon Bolivar – Mental Health Unit
